Bispham Bulletin 02.05.25

Dear Parents and Carers,

The weather this week has been much appreciated by everyone in school and we've really made the most of our lovely grounds. I am very pleased to say that our new football referees are doing a good job and we have seen a large reduction in issues around the games being played.

Everywhere plants are thriving, particularly our aromatic herb patch just by the hall doors. Our Forest School session have been a hive of activity as they have been setting up our new Wellbeing Garden. This is situated at the rear of our upper playground and is a truly sustainable project. Everything used has been recycled, repurposed or home grown. I've included a picture opposite and you can see more pictures if you access Bispham Bees on Instagram.

This term our new lunch menu is proving popular, why not have a look on Weduc to see whether this option might suit your child too.

Finally, please keep a check on the diary for upcoming dates like Sports Day as I know you like to plan for these events.

Enjoy the bank holiday.

Andrea Goetzee (Principal)

V.E. Day 80 8th May 2025

Yesterday, we began the countdown to the 80th anniversary of the end of World War 2 in Europe. The theme is very much about the impact at home and so we had a visit from some children from George Spencer who shared their experiences as a child of a serving member of the armed forces.

For the next week our Christmas tree will be lit red, white and blue to link to a week of national activities.

In school we will be finding out about the contribution of soldiers across the Commonwealth. We will also be learning the games that children would have been playing in 1945.

This will culminate in a full day of activities on Thursday. We will decorate the field with the home made bunting, and have a special assembly and English lessons. In the afternoon we will have a 'street party feel' outdoor event where the children will get to play the games they have learned about. We will provide squash and biscuits so no need to send anything in, just try to send your child in a costume to suit the time period. Ideas for this can be found on Google Classroom.

BFG Summer Event 27th June 2025

I made an appeal on the last bulletin for additional helpers for the BFG. At this point nobody has come forward. Having spoken to the small group of dedicated helpers they feel they can offer a summer event but it will have to be much smaller than previously and they will not be able to offer a BBQ. This could change if they are able to call on more help so if you feel able to do this use the QR to contact the BFG group and they will welcome you.
