Bispham Bulletin 03.10.25

Dear Parents and Carers,

Another busy two weeks in school are coming to an end. It was lovely to welcome so many of you into school last week for the Macmillan Coffee Morning. These great community events are a lovely way for you to share in what your children are doing and to see how well they settle in school. There was a lot of very positive feedback with parents telling us how much they had enjoyed it, even if they had to do maths! We also raised a total of £180 for a very worthy cause.

The next open morning will be on December 17th when you will get to help out with Christmas Crafts, so it should also be a lot of fun.

Talking of Christmas I have added the key dates for the rest of this term to the calendar on the next page. Year 6 will be sharing a performance and there are lots of wonderful activities. I will send more details about these as the festive season approaches. One date to be sure to save is November 28th when the much loved Family Christmas Disco will take place.

I hope you all have a lovely weekend. For myself, I will be getting as much sleep as I can before I join year 5 on their residential visits next week.

Best wishes,

Andrea Goetzee

Notices

Booking Parent Meeting Appointments - You should all have now received information about how to book appointments for parent meetings on 13th and 15th October. Bookings go live at 6.30 pm this evening. While we know some of our pupils live between two homes I would like to ask that if it is possible each parents share an appointment. If two appointments are booked for each child then there will simply not be enough slots for all parents in a class. Thank you.

Supporting your child's reading at home - We often get asked how parents can best support reading and how they can check what their child is understanding when they read. Firstly, ensure they do read at least four times a week. While staff are always happy to help when they can, I wanted to draw your attention to the advice pages in your child's personal organiser. These provide really useful ideas and top tips to help you.

School Meals

The new menu we are providing in school continues to grow in popularity. I have had visitors from the Spencer Trust in school this week and when they asked what some of our children liked best about school, they said it was the food. If you haven't booked them yet please have a look at our menus.

ALWAYS REMEMBER WE ARE A NUT FREE SCHOOL
